EIICHIRO ODA

I hate it when things are already decided for you by someone else. From the day you are born, people say "You're born in the year of the rabbit!" Or "You're a Capricorn!" No way! Those animals just sound weak! So I'm changing it myself. I was born in the Man-Eating Giant Rabbit Year. I'm also an Anaconda-Swallowing Devil Capricorn. Wow, that's scary. But they sound strong. Anyway, volume 58 is starting!

-Eiichiro Oda, 2010

Eiichiro Oda began his manga career at the age of 17, when his one-shot cowboy manga **Wanted!** won second place in the coveted Tezuka manga awards. Oda went on to work as an assistant to some of the biggest manga artists in the industry, including Nobuhiro Watsuki, before winning the Hop Step Award for new artists. His pirate adventure **One Piece**, which debuted in **Weekly Shonen Jump** in 1997, quickly became one of the most popular manga in Japan.

IT WAS ONE OF THE PIRATE CAPTAINS!!

WHITE-BEARD'S BEEN STABBED BY ONE OF HIS OWN ALLIES!!

AAAAH !!

UGH!!

SQUARD !!

GASP... GASP...

WHIRL SPIDER, ONE OF THE NEW WORLD PIRATES!!

SHUT UP!!

HE HAD IT COMING !!

WHY DID YOU DO IT?!

YOU'RE IN CAHOOTS WITH THE NAVY!! YOU MADE A DEAL WITH THEM TO SAVE THE WHITEBEARD PIRATES AND ACE!!

TELL THE TRUTH, WHITE-BEARD!!

POPS!!

AAAHH !!

ZOW!

WHAT'S GOING ON?!

WHAT'S HE TALKING ABOUT?!

!!!?

...GOLD ROGER !!

I NEVER KNEW ACE WAS THE SON OF...

ガァァァァ

HE'S LED US INTO A TRAP!!

YOU KNEW I HATED THAT MAN!!

...I WAS ALL ALONE IN THE WORLD! AND YOU KNOW WHY!!

BECAUSE THE CREW I'D FOUGHT WITH FOR SO LONG HAD BEEN ANNIHILATED BY GOLD ROGER HIMSELF!!

あああああ

WHEN YOU TOOK ME UNDER YOUR WING...

...BUT YOU'D ALREADY BETRAYED ME! YOU WERE LAUGHING AT ME WHEN I BECAME FRIENDS WITH ACE!!

I TRUSTED YOU...

ACE WAS THE MOST IMPORTANT THING TO YOU, AND NOW HE'S BEEN CAPTURED!!

アァァァァ

THAT ACE WAS ROGER'S SON AND YOU WANTED TO MAKE HIM THE NEXT PIRATE KING!!

YOU SHOULD'VE TOLD ME THE TRUTH!!

YOU MADE A DEAL WITH SENGOKU SO THAT THE WHITE-BEARD PIRATES AND ACE WOULD BE SPARED!! ISN'T THAT RIGHT?!

THAT'S WHY YOU SOLD OUT THE 43 PIRATE CAPTAINS UNDER YOU!!

YOU MADE FOOLS OF US ALL!!

IT'S THEIR LIVES IN EXCHANGE FOR ACE'S!!

AND LOOK!!

WE CAME HERE READY TO DIE FOR YOU AND ACE!!

...US!!

THE NAVY'S ONLY ATTACKING...

WE'RE SURROUNDED BY WALLS OF ICE!! THERE'S NO ESCAPE FOR US NOW!!

I'M NOT FALLING FOR YOUR TRICKS!

HUFF... HUFF...

I KNOW IT WAS A MIRACLE I WAS ABLE TO STAB YOU EVEN ONCE! BUT I DON'T CARE WHAT YOU DO TO ME NOW! GO AHEAD AND KILL ME!

YEAH, POPS COULD'VE
DODGED THAT ATTACK
EASILY, EVEN IF HE WAS
CAUGHT OFF GUARD.

NOT EVEN
SOMEBODY YOU
TRUSTED COULD
GET TO YOU LIKE
THAT! SO IT'S NOT
THAT...

BUT IT'S WRONG TO CONDEMN A CHILD FOR THE SINS OF HIS FATHER, SQUARD. WHAT DID ACE EVER DO TO YOU?!

I KNOW HOW MUCH YOU HATE GOLD ROGER...

IS THAT WHAT AKAINU TOLD YOU?

...ALL MY CHILDREN.

I LOVE...

ACE ISN'T THE ONLY ONE WHO'S SPECIAL TO ME.

BE GOOD TO EACH OTHER.

...BUT I STILL LOVE YOU.

YOU MAY BE A FOOL...

がは...!!

!!?

YOU THINK I WOULD EVER SELL OUT MY SONS?!

WE'VE BEEN BETRAYED!! ARG!!

AAGH !!

POPS! TELL US IT ISN'T TRUE!

YOU'RE AS CUNNING AS EVER, SENGOKU.

YOU'VE MANAGED TO DRIVE A WEDGE BETWEEN US.

IT WAS A REBEL FROM THE NAVY! HE TOLD ME THAT IF I STABBED YOU, MY MEN WOULD BE SPARED!

I'M AGAINST THIS OPERATION. THE ONLY ONE WHO DESERVES TO DIE IS WHITEBEARD!

WE CAN'T PASS UP THIS OPPORTUNITY, BUT IF YOU DO WHAT I ASK, NEITHER YOU NOR YOUR CREW WILL BE HARMED!

YOU'VE ALWAYS BEEN ONE OF MY MOST LOYAL FOLLOWERS. WHO WAS IT WHO LURED YOU INTO THE DARK DEPTHS OF DOUBT?

LGH!

WHAT ARE YOU DOING?! I TRIED TO KILL YOU!!

THEY CALL ME

I CAN'T REMAIN
THE STRONGEST
FOREVER!

POPS...

Reader(Q): I'm going to start SBS now.
Whoops, my ambition slipped out.

--Hanko

Oda(A): Ambition? You just granted your wish! It is now officially started.

Q: So when is Whitebeard going to use the boomerang under his nose?

--Chi-chan

A: Hmm, well... Probably when he goes to the park with his dog.

"Go get it, Stephen!" *Swirl*

"Woof?!"

"It's not a Frisbee so it comes back! Ga ha ha ha!"

Wait, what?!

Q: I have a question. Does a banana fit inside Whitebeard's beard? Is that thing like a "banana pouch"?

--Samsam

A: Yup. If you open the zipper on the back, you'll find some bananas. You can line them up, three on the right side and three on the left, bringing it up to a total of six bananas. "Come on, men! It's time for a battle! Have some bananas first! Ga ha ha ha!" What do you people think Whitebeard is, anyway?

Q: Hello, Mr. Oda! I have a question. Is Whitebeard, Edward Newgate, a Logia type? Or a Paramecia type? Whitebeard didn't freeze even when he was attacked by Aokiji. Personally, I think he's a Logia.

--NY

A: I guess it's hard to see, but he's a Paramecia type. The Tremor-Tremor Fruit is considered to be one of the most powerful fruits among the Paramecia types. Because he's an "Earthquake Human," you might think he would be a Logia type, but in that case, Whitebeard himself would have to be an earthquake. Whitebeard can cause earthquakes. In other words, he can cause tremors or shaking that start these earthquakes. In short, he's a Paramecia type that's as powerful as Logia types.

METEOR VOLCANO.

(Hiroshi Suyama, Tokyo)

Q: Grrr!

--D. Hosokawa

A: What was that?! Was that some Beast growling at me?! Y-You heard that too, right?! Uh-oh! Uh-oh uh-oh! Okay. Moving on

Q: I've turned 28 and every single day, I think about *One Piece*. There's this question I want to ask. In a *One Piece* art book, there was this technique called Face Fleurs where Robin's face appears on the back of Chopper's head. What situation is that supposed to be used in? I couldn't help but laugh when I saw it.

--Tony Tony Chappy

A: I see. Well, for the people who don't know, there was a section in an art book that shows parts of my notes and this was one of the things shown. To tell you the truth, there was a scene during the Skypiea arc where Robin had to transport her unconscious crewmates. At that time, I thought that sprouting faces, arms and legs on her crewmates might make transporting them really easy. But it was so creepy that I decided not to do it. But if you really like it, I might do it some other time.

Q: Hello, Mr. Oda! There's one thing that's been bothering me. Why does Ace have freckles? My mother calls him that "freckle-faced guy" all the time. Isn't that terrible?

--Rihosuke

A: Speaking of freckles, it's known among my assistants that I always forget to draw the freckles (about 92% of the time). Well, setting that aside, Ace probably doesn't care about it either. Do you know about the saying from the old show *Candy Candy*, "I don't care if I'm freckle-faced!?" Yeah. For the people who don't know what I'm talking about, ask your mom or dad.

Chapter 565: OARS'S PATH

I'LL ENTRUST LUFFY TO YOU!

(Ayaka Masubuchi, Osaka)

Q: Odacchi! I got a question! Can you tell me the ages of the Seven Warlords of the Sea?!!
--Jaichael Mackson

Q: I have a question for Odacchi! On Volume 56, Page 172-173, the Seven Warlords of the Sea look really tall. Can you tell me their heights?!
--Keita

A: Sure thing. You want their age and height, right? I'll just add in Crocodile with them and we'll go with the tallest first.

Moria	Kuma	Teech	Doflamingo	Jimbei	Crocodile	Mihawk	Hancock
							
48 6 meters 92 cm	45 6 meters 89 cm	38 3 meters 44 cm	39 3 meters 5 cm	44 3 meters 1 cm	44 2 meters 53 cm	41 1 meters 98 cm	29 1 meters 91 cm

Q: Odacchi! What's up! It might be sudden, but can you tell me Hancock's measurements?!
--Amoeba Pirates Division One, Ii-chan

Q: Odacchi! This is my first time writing to you! There's something I want to ask you, but...what's Hancock's cup size? (Personally, I hope that she's a J-Cup.)
--Erogappa

A: Well then, I got these letters above. You perverts! On top of that, Erogappa also had a message saying that he always enjoys my comics with his whole family. Erogappa's mother and father, your son sent me this kind of mail! He's a pervert! Anyway, I got the Snake Princess's measurements from Sanji! Here they are!

Bust: 111 cm! Waist: 61 cm! Hip: 91 cm! Mmm! Amazing!♡♡ And for her cup size, Erogappa wanted it to be a J-cup, so J-cup it is!♡ How do you like that, Erogappa's parents?!

Q: Mr. Oda! I have someone that promised that we'd get married if you let me get on SBS, so please post this letter!♥ You have to make my day, Odacchi!♥♥

--☆Shogo Michihata

A: Sure thing. There. It's posted. Now who's the lucky man?! You better keep your promise!

Q: I have a question. In chapter 556 of volume 57, there were a few pirates behind Tsuru that were being hung and dried. Who did that to them? Tsuru? And I'm wondering why they were hung there in the first place. And since Mr. 3 has been doing so well recently, can you explain it by talking like him?!

--Daddy of Two

A: You're right about them being hung out to dry! And you're right about the Naval Vice Admiral Tsuru being the culprit! Her Devil Fruit is the Wash-Wash Fruit! A "Washer Human"! She washes and dries any evildoer, cleaning up even their hearts just a little bit! Being able to wash away evil hearts, pirates find her to be quite a formidable foe! We must be careful!

Q: Hello, Odacchi! I have a 10 percent serious question. You know how there are some people that keep getting on Usopp Gallery Pirates in the Japanese volumes? Does that mean you're not the one picking and choosing which ones to post?! Or you're not even picking them seriously?! I really wonder about this! Answer me in exactly three lines!

--Sweet Strawberry

A: I am serious when I pick which ones to post! Wait, that didn't even take one line. I'll give you the long answer to this then. For every volume, we hold a meeting with my graphic novel editor Yokoyama, Usopp, and me. We decide which ones we'll post during that meeting. To me, I think that section should be composed of artists' works that my readers and I can fully enjoy. Just simply having your work posted isn't the end-all. I want their works to continually be posted so that you can have the readers enjoy it. I want their works to keep that motivation. That's why, if it's good, it'll get posted. Even if the person's art has been posted before. But in exchange, I won't give the grand prize to the same person twice. I really enjoy being a judge for this each time.

Chapter 569: WHITE MONSTER

Q: Hello, Mr. Oda! There's something I really want to know. Please tell me the names of all the division commanders that Whitebeard leads! I'm especially wondering about the person carrying the giant iron ball and the samurai-like person!

--Semaru

A: Okay. There's so many questions about the behind-the-scenes stuff about the war this time! Anyway, I'm only answering because you asked. Stuff that's talked about in SBS really doesn't need to be remembered for the main story. I don't talk about certain things in the main story because I omitted them on purpose. I think that too much unnecessary information will only confuse the readers. So please enjoy the stuff in SBS strictly as an extra. Now here are the division leaders of the Whitebeard Pirates.

HEY!! HE'S GETTING ALL THE ATTENTION!!

(Kota Hidaka, Gifu)

Q: I just learned how to use Haki recently. My friends around me are collapsing left and right. What should I do?

--New Year's Man

A: Uh-huh. That's amazing. If that Haki has the color of the supreme king, then you better learn how to control it quick. Or else your friends are going to suffer. The other possibility I can think of is that you stink so much that your friends are passing out. If that's the case, GO take a Bath.

Q: There was something I wanted to ask you so I picked up a ballpoint pen to write this to you. It's about Emporio Ivankov. He looks very similar to Dr. Frank-N-Furter of the Rocky Horror Picture Show. What do you think?

--I love Yu-kun ♡ Takashi

A: That's right. Rocky Horror Picture Show is a movie that all B-movie horror film lovers would know about. It's a very stupid film, but I love it to death. Kama Land is pretty much based on it. His looks are based on that character, but there's actually another person that I based Ivankov on. Despite having already brought out Bon Clay, that person made me want to create a REAL cross-dressing character! That person was in the same theater troupe as the voice actress for Luffy, Mayumi Tanaka. When I saw his theater performance, I was stunned! His name is Norio Imamura. Because his face looked like a rock, I mistakenly remembered his name as Iwamura, ["Iwa" means rock in Japanese.] which I then shortened to Iwa-san. On top of that, after Imamura found out that "Iva" was based on him, he rushed to the anime auditions for the character and was cast. In short, a real cross-dresser, Norio Imamura, who was the model for Iva, is playing Iva in the anime series! Stunning!

Q: I admired Chopper and went to medical school. Huh? What? You don't believe me? I-It's true. I-I got motivated from looking at Chopper treating his buddies... I-It's not because I wanted to do medical examinations on Nami!

--Shimizu Chamoroe

A: Shimizu Chamoroe! When did you get out of prison?! Sheriff! Hurry up and catch him! He's a pervert that's always trying to mess up SBS (Refer to volume 55)! If he became a doctor, who knows what kind of freak accidents would happen?! What?! No, not me! Huh? What's wrong with being naked underneath my coat?! ㄥ

Q: Pleased to meet you, Mr. Oda. After reading volume 57, this came to my mind. I can't tell the difference between Marco the Phoenix's Mythical Zoan type, and Ace's Flame-Flame Fruit.

--CNY

A: I thought so. For this war arc, I omitted a lot of explanation to keep the pace going. To be more specific about Marco's powers, since he is a Zoan type, his body is still physical. But the Blue Flame of Revival is a power of the phoenix and can heal his wounds, nullifying most attacks. (But the healing has limitations.) It means the fire is for revival. But unlike real fire, it doesn't spread or give off heat of any sort, making it completely different from Ace's flames. This might come into play in the main story at a later time, so I'll leave it at that for now.

Q: Mr. Oda, in your SBS you say...perverted things, you know? (I'm sorry if that offends you.) Doesn't your wife complain? If she doesn't, she's like the perfect wife for manga artists. I'm impressed. No, seriously. I am.

--12 year old girl

A: I say even weirder things at home, so it's okay! This ends my SBS for this volume!

CHOPPER'S VOICE ACTRESS, IKUE OTANI!

(L, Ibaraki)

SBS Question Corner

HDYD! (How do you do?!)

This is...how many times did we do this again? Oh yeah, six! This is our 6th voice actor/actress Question Corner! Let's start! She's the one who's voicing every single cute mascot character in Japan! No one can do cuter voices than she can! On top of that, she's one of the best actresses I've seen! Oh yeah, she's tiny and cute too! Here is the voice of our ship doctor, Chopper! The tiny Ikue Otani, in the house!

Oda (O): Now is everyone ready? Let's have her introduce herself! Here comes Ms. Otani!

Ikue (I): Yo.

O: That's so short! That really scared me!

I: Hey, Odacchi. Did you have to say "tiny" when you introduced me?

O: Oh, right. Sorry. Actually, I'm not sorry.

I: You should be!

O: Anyway, this is a question corner called SBS. Do you know what it stands for?

I: Of course I know.

(S)howing off my (B)ombshell rock, paper and scissors.

(S)o what's that?

O: That's what I want to know! So you don't know it. Here's a hint! You take questions and ask for submissions and...stuff.

I: Oh, I get it now!

(S)urprise! (B)lossoming! (S)unrise!

O: I'm the one BEING surprised! Whatever. I'll just leave it at that...

PREVIEW FOR NEXT VOICE ACTOR'S SBS

Otani's SBS continued on page 202!

The next two will feature these two!

Robin (Yuriko Yamaguchi)

Franky (Kazuki Yao)

The very easygoing Yuriko and the perverted Yao. It should be a lot of fun! We'll be waiting for your nonsensical questions!

**OUR SHIP DOCTOR,
IKUE OTANI!**

Reader(Q): Ms. Ikue Otani, do you also do Chopper's voice when he's big?

--Karen

Ikue(I): That's right. My voice when he's in Berserk mode has production effects on it, but I do all of Chopper's voices.

Q: How do you do! ☀️ When Chopper gets big, do you get big too? I heard you're a voice actress that goes for realism!

--Macherie

I: Nope. I'm always big. But since I'm playing the part of the tiny Chopper, I have to shrink most of the time. **BECAUSE I GO FOR REALISM.**

Q: So, give it to me straight. Which one is bigger? A life-sized Chopper, or you.

--Funako

I: What?! You're unsure about that?!

Q: Ms. Otani! Is it true that you put jam on everything?!

--Mihon

I: Yup. I even put jam on jam.

Q: Hello, Ms. Ikue Otani! ↗️ I have a question. ☺️ Among the other voice actors and actresses, who is the one that you're the closest ♡ with? ☺️ And who is the funniest? Please tell me! ☆≡

--Eikichi

I: It's hard to say which one. But I think the funniest one is the Captain! I'm really impressed at how many pranks she comes up with.

Q: Can you think of a new technique for Chopper?

--Redbeard

I: Doctor's Orders!

Q: Ms. Otani, do you also have seven crazy transformations?

--Don't Mind Sekiguchi

I: Yeah, something like that.

Q: Can you try drawing Chopper's hat without looking at any reference material? You can, right?
--Don't Mind Sekiguchi

Q: Tell me what happens, when you, Ms. Otani, eat three Rumble Balls. Please draw it.
--Chappie

Q: Ms. Otani! I always love your cute voice! So for you...
Take this!

Cotton Candy Attack! --Captain Chopper

I: Ugh. Chew. Chew. Okay. You can come at me again!♥

Q: I have a question for Chopper.☆ Please cure my illness called "love sickness"!
--Sugacchi

I: Let me have a go at this. Okay. Try finding me first.

Q: When Chopper gets surprised, his hat jumps off his head along with his antlers. When you get surprised, Ms. Otani, what jumps?
--MASA

I: My heel.

Q: Otani! Take this! Negative Hollow!
(Sorry about that.) --Perona V

I: I'm so sorry I couldn't grow to be big even after eating so much...

Q: To Ms. Ikue Otani. I'm always watching you (on TV)! Chopper's voice is just too cute!♥ I always try to impersonate Chopper. So how do you bring out Chopper's voice anyway? Do you have any advice for me to get better at impersonating your voice?
--Pepper's Sister

I: If you maintain his motto of "Be a man," anyone can impersonate his voice.

Q: Ms. Otani! I'll be honest with you! May I have your voice?!♥
--Reindeer Nakai

I: Sure. Here you go!♥

Oda: Time's up, Ms. Otani! Thank you. Huh? Did your voice just change? What? You gave your voice to Reindeer Nakai?! Hmm, that's bad... So, Reindeer Nakai. Do you think you can make it to the recording session next week?! You can? That's great! (Is it?!)

See you all next volume! Oh, no! Ms. Otani is now unemployed!
